

Participation in AJDI is fully voluntary. Consenting volunteer herds, which were culture negative, are listed below.

No program can certify that a farm or a herd is free of Johne's disease.

This list contains herds where the Johne's bacteria was not detected in the environment on the day of testing.

NS Environmental Culture Test Negative Herds			Status Level**	Status Obtained	Status Recent Test	Status Expiry	
Herd Name	Producer	Address
